FYI -
Just noticed she was on Gene's list too.

Subject: Tillman Japanese Garden Strategic Plan

Hi Lynda,

My names is Joanne Kumamoto, Partner, Kumamoto Associates. We are working with the Tillman Japanese Garden (Garden) Advisory Council in developing a strategic plan for the Garden. We are currently gathering opinions on the future role of the Garden and are interviewing civic leaders along with individual member of the Tillman Japanese Garden Advisory Committee and staff. I would like to schedule an approximate 30 minute meeting to gather your thoughts and opinions on the future of the Garden.

Are you available, Tuesday, August 1 in the afternoon, Friday, August 4 afternoon or Wednesday August 9 morning. I am available to meet you in the Valley or downtown, which ever is most convenient. If you would like to suggest other dates and times, please do.

If you have any questions, I am available at: 323/223-6473 office or 323/497-1940 mobile.

Joanne Kumamoto
